## Kaiser Says U-Boats Will Subdue Enemy

AMSTERDAM, Nov. 15 .- The German Emperor, according to a Berlin despatch, addressing the U-boat crews in the Adriatic and referring to the develop-ment of the U-boats, said that a voyage of three or four weeks was now an every day occurrence and declared that the develop-ment of the U-boats had not

reached its highest point.

He expressed gratification at the amount of the tonnage sunk in the Mediterranean, which, he said, showed that the U-boats had fulfilled what had been expected of them.

The Emperor concluded: "I am certain that our submarines will never rest until the enemy is subdued. But for this we need, as well as the power of man, the
